“I hereby certify that every horse, rider and/or driver is eligible as entered and agree for myself and my representatives to be bound by the Constitution and rules of Equestrian Canada at this competition. It is hereby recognized that all equestrian sports involve inherent risk and that no helmet or protective equipment can protect against all foreseeable injury. I hereby accept this risk and hold harmless EC, the competition, their officials, organizers, agents, employees and their representatives. The person responsible (PR) agrees to the release of any information on the entry form to EC.” (A802.4)

“The Person Responsible for a horse must be an adult who has, or shares, responsibility for the care, training, custody and performance for the horse and who has official responsibility for that horse under EC rules and is liable under the penalty provisions of the rules for any violation of the EC rules. For the purpose of these rules, the Person Responsible is normally the trainer, owner or competitor who rides or drives the horse during an event, or a parent of legal guardian in the case of Junior Competitors. The Person Responsible is ultimately responsible for the conditions, fitness and management of the horse and is alone responsible for any act performed in the stables by himself or herself or by any other person without access to the horse, or while the horse is being ridden, driven or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a junior, the competitor cannot be the Person Responsible and the Person Responsible may be a parent/guardian who must be at minimum an EC or USEF member in good standing.
