### *Equestrian Canada Statement of Principles*

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities

Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;

Ensuring that owners, trainers and competitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;

Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;

Providing current information on Code of Practice for the care and handling of equines and their equine health and welfare initiatives.

Continuing to support scientific studies on equine health and welfare;

Requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;

Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

*All horses entered in the bronze level show require only vaccine certificates. (No Digital Horse Recordings Required)*

For American horses in Canter A and AA, an affidavit for foreign-owned horses must be completed. There is no charge for this.

*"Any horse entered in any class at a competition may be selected for equine medication control testing while at the event location." (A602.5)*

All horses entered at the Bronze Sanctioned Show; \$3.50. Will be included in the stalling fee.

All competing horses will be issued a show number that must be worn and visible, on the right-hand side of bridle or halter, whenever the horse leaves the stable area. Failure to wear this number in schooling arenas, exercise and competition arena's, or while in transit from stabling area to these arena's, can/or may disqualify the horse from the competition.
