

2023 DECLARATION FOR WORLD YOUTH AND JUNIOR CHAMPIONSHIPS

All athletes wishing to attend the 2023 Junior/Youth Championships must declare their intention to compete by filling out the Vault Canada Declaration form **and** by completing the information on the EC Games Portal.

The Vault Canada Declaration Deadline is September 15, 2022, all forms must be submitted to info@vaultcanada.org by midnight of September 15 2022. No late declarations will be accepted.

The EC Games Portal Link will be posted on the VC site once it is available.

We are creating an Athlete Development Program which will be available to all Declared Athletes.

The cost to participate in this program is \$100 and is payable by etransfer to finance.evabc@gmail.com

At this time we are still working on what will be included but the goal is:

- In person feedback from FEI Judge after September and April CVI's
- Zoom group training sessions over winter
- Training clinic (additional cost for clinic)
- Feedback on video submissions from National Judges

How much we are able to offer within the Development program will be based on funding. Anyone with connections for sponsorship or other funding sources please let the Vault Canada Committee know.
