

2023 FEI VAULTING WORLD CHAMPIONSHIPS FOR JUNIORS

FLYINGE, SWEDEN

Equestrian Canada Selection Criteria & Procedures

Introduction

Equestrian Canada (EC), in collaboration with the Vault Canada Sport Committee, has established this selection process in order to determine representatives for Canada at the 2023 FEI Vaulting World Championships for Juniors at Flyinge, Sweden, July 26 to July 30, 2023

The selection process set out below will ensure a fair method of selecting the Canadian Vaulting Team using objective criteria.

The Selection Panel made up of representatives from the Vault Canada Sport Committee, verified by EC, will select Individuals, Pas de Deux sets and a Squad for approval and entry by EC.

Up to four Individual male and four Individual female vaulters may be selected, including the alternate Individual vaulters.

Two Pas de Deux sets may be selected.

A single Squad may be selected consisting of 6 vaulters and up to 2 alternates.

Any Individual vaulter or Pas de Deux set that wishes to be considered for selection must meet the minimum performance criteria as specified by the FEI¹. Achieving the minimum FEI performance criteria

¹ Please refer to the FEI website for the required scores and complete details on the minimum FEI performance criteria for both Individuals and Pas de Deux sets - <https://inside.fei.org/fei/disc/vaulting/main-events>.

is not, on its own, sufficient to be named to the Team to represent Canada at the 2023 FEI Vaulting World Championships for Juniors as there are potentially more Individuals and Pas de Deux sets that meet the FEI minimum performance criteria than can be sent to the 2023 FEI Vaulting World Championships for Juniors.

The selection of the Squad chosen to represent Canada will be based on criteria specified by EC in collaboration with the Vault Canada Sport Committee.

The selection of Individuals, Pas de Deux sets and the Squad from those candidates that meet the minimum FEI performance criteria and/or the following qualification requirements will be accomplished by an objective system that includes scores achieved by the candidates during the qualification period.

Guiding Principles

The selection process was developed according to the following guiding principles:

- Enables the selection of the Individuals, Pas de Deux sets and Squad that have the greatest likelihood of performing well at the 2023 World Junior Vaulting Championships.
- Allows the longest possible opportunity for competitors to qualify.
- Encourages (and does not discourage) competitors from attending as many CVI events as possible.
- Is straightforward, and resists manipulation or poor sportsmanship; Is sensitive to, but not constrained by, the costs involved.

Applicability

The selection process described in this document will be in effect for the 2023 FEI Vaulting World Championships for Juniors. This selection process has been reviewed and approved by Equestrian Canada for use at these Championships as is required by the regulations of Equestrian Canada.

Qualification Period

Individuals, Pas de Deux sets and Squads must achieve the score(s) necessary to satisfy the minimum FEI performance criteria or the following qualification requirements, within the qualification period, which has a specific start date and an end date.

Equestrian Canada, in collaboration with the Vault Canada Sport Committee, has determined that the **qualification period for the 2023 FEI Vaulting World Championships for Juniors and Youth shall run from January 1, 2022, to June 12, 2023.**

In developing this document, EC and the Vault Canada Sport Committee recognize that the FEI imposes minimum age restrictions for competitors, and to fairly accommodate individuals who may not meet the

age requirements until the year of the 2023 FEI Vaulting World Championships the qualification period has been held open late enough to accommodate as many CVI competitions as possible in the year of the 2023 FEI Vaulting World Championship.

Candidate Selection

- A candidate Individual must submit 2 scores from a CVI2* or CVIJ2* competition that satisfies the FEI qualifying criteria. At least one score must be from a competition held within 12 months of the Scores Cut-Off Date.
- A candidate Pas de Deux set must submit 1 round score from a CVI2* or CVIJ2* competition that satisfies the FEI qualifying criteria; and a second round score of 6.0 or higher from a second CVI2* or CVIJ2*. At least one score must be from a competition held within 12 months of the Scores Cut-Off Date.

A candidate Squad must complete two events, at a minimum of one CVI2* or CVIJ2* and submit their final scores for both events, in accordance with this selection criteria for the 2023 World Junior Championships which states that one score of 6.0 or above and one score of 5.8 or above are considered as qualifying scores.

The Squad qualifying scores may be obtained from any combination of the following: any CVI 2 or CVIJ 2, plus any USEF selection competitions in the Junior Qualifier Team (A) Division, and any EC Selection Class in the A Team that has 2 judges one of which must be at the National level or higher.

The CVI scores will be weighted by an additional 15% over Selection Class Scores. At least one score must be from a competition held within 12 months of the Scores Cut-Off Date.

- A Selection class can be from any competition with the prerequisite 2 judges and must be approved in advance by Vault Canada

Individuals Selection

- The Individual candidates of each gender that have submitted the highest scores that satisfy the FEI qualifying criteria will be ranked in order based on the highest combined score

submitted by each candidate. They will be selected to the Team in rank order based on the submitted scores, up to a maximum of four candidates.

- Of the four selected candidates of each gender, the Individual candidate from this group with the lowest score submitted shall be the alternate competitor, to be approved by Equestrian Canada.

Pas de Deux Selection

- The Pas de Deux candidate sets that have submitted the highest scores that satisfy the FEI qualifying criteria will be selected to the Team in rank order based on the submitted scores, up to a maximum of two candidate sets to be selected, to be approved by Equestrian Canada.

Squad Selection

- The Squad that has submitted the highest score that satisfy the FEI qualifying will be selected to the Team to be approved by Equestrian Canada.

In the application of the above, if candidates have identical scores, the tie(s) are resolved by applying the following, in sequence, until the tie is broken.

- A candidate with a higher first-round score ranks higher. **If still tied then,**
- A candidate with a higher compulsory round ranks higher. **If still tied then,**
- By a random drawing of names to be conducted by the Selection Panel.

Note: It is the responsibility of the athlete(s) to deliver their scores to the Selection Panel no later than **June 12, 2023** using the forms provided in Appendix A, B or C. The forms can be copied if more space is needed to submit qualifying scores you wish considered. The scores must be accompanied by a copy of the associated official signed score sheet or an official FEI sanctioned event results sheet bearing the event name and date. Failure to provide this information to the Selection Panel by the aforementioned date and time will result in the candidate not being included in the selection process and thus being eliminated from selection consideration.
